

Chris Scarpone

Assistant Vice President, Chubb PRS
Technical Operations – Risk Consulting Practice

CHUBB®

Chris Scarpone is the Assistant Vice President in charge of Technical Operations for Chubb's Risk Consulting practice. With 28 years of diverse experience in the insurance industry across multiple carriers, Chris has built a distinguished career in Commercial and Personal Lines Risk Engineering, Project Management, and Learning & Development.

In his current role, Chris oversees the operations of Chubb's Risk Consulting practice, focusing on staff development, technology support, and the seamless execution of technical processes. His leadership ensures that the team delivers innovative and effective risk management solutions to clients, while fostering a culture of continuous improvement and professional growth.

Chris recently earned the prestigious Certified Advisor of Personal Insurance (CAPI) designation from the Wharton Business School, further solidifying his expertise in personal insurance and risk consulting.

Throughout his career, Chris has been recognized for his ability to drive operational excellence, develop high-performing teams, and implement forward-thinking strategies that align with organizational goals.
