

# Steven Fischl

Vice President, Regional Product Leader  
Personal Risk Services

CHUBB®

With over 19 years of expertise in personal lines insurance, Steve started his career in risk consulting at Chubb. He then spent 10 years in underwriting holding various roles before moving into his current role, where he oversees product for the New York and Northeast regions for both profitability and growth.

Steve holds a B.S. from Muhlenberg College and a M.S. from Boston University. He is accredited with the CPCU, ARM-E and ARe designations.
